

INTERNATIONAL SECURITY EXPO 2019

EVOLVING SECURITY THROUGH INNOVATION
OLYMPIA LONDON, 3 - 4 DECEMBER 2019

LPCB LIVE LAB & ZONE

Supported by

The resounding success of the LPCB Live Test Lab & Zone at last year's expo sees its return to International Security Expo 2019, Olympia London 3rd-4th December.

This exclusive zone highlights companies whose products have undergone the rigorous testing and passed the assessments conducted by LPCB experts to a range of standards.

Companies exhibiting in this zone must have Redbook accredited product(s).

EXHIBIT IN THE LPCB ZONE

This exclusive zone provides a unique area located on the show floor directly next to the LPCB Live Lab for companies with redbook accredited products.

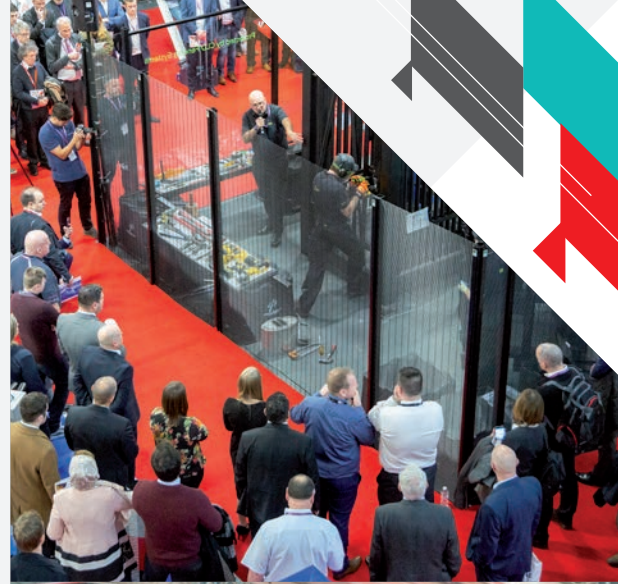

Claim one of the prime positioned stands within the zone today and benefit from increased visitor traffic in this area!

TEST YOUR PRODUCTS IN THE LPCB LIVE LAB

The LPCB Live Lab will provide visitors with an opportunity to witness BRE's team of professional forced entry specialists pitted against a wide range of physical security products; including security fencing, windows and doorsets.

Richard Flint, BRE's Technical and Business Development Manager, commented:

"We are delighted to be partnering with a number of exhibitors at ISE to deliver an even bigger and better live testing experience; demonstrating some of the fantastic solutions on offer as well as the benefits of selecting LPCB certified security equipment".
